

Cut Sheet - PP98 Ice Screen

1. Installation to be completed in accordance with manufacturer's written specifications and installation instructions.
2. See spec sheet or contact manufacturer for detailed material, finishes, and configuration options.
3. Contact manufacturer for detailed layout.
4. Do not scale drawings.
5. Subject to change without notice.
6. For patent information, visit our [Patent Page](#).

NOTE: Ice Screen comes in 4' lengths and 5" high; for most installations it will need to be cut to size to fit between the snow guard brackets.
